

## 3SE3 series Limit Switch

### APPLICATION

3SE3 series limit switch are one of the most indal electrical control switches in mechanical and other industries, complete with specifications and with varieties of types, compact structure, nice appearance, excellent performance, flexible and reliable action, easy installation, operation, maintenance and adjustment.

3SE3 switches are applicable to AC control circuit of 40 to 60Hz with a voltage up to 550V.
